

**Cedar Point Registration for
Summer 2010**

*** Classes are limited to 20 students maximum, early registration is highly recommended.*

To apply for all CPBS classes:

Fill out an application form (download it from the website) and bring it to the Cedar Point Office. If you are a non-UNL student, you may mail or FAX (402 472-2083) it to us, then discuss it over the phone.

After November 16th - Pay your deposit (session room & board fees) at the Cedar Point office in 101 Manter Hall. This deposit must be paid in full and is non-refundable. The Bursar will accept cash, check or money order.

In early April the Cedar Point Office will email you an information packet. It will include maps, instructions on what to bring, etc.

To register or for more information, please contact:
 The Cedar Point Office 101 Manter Hall
 Ph: (402) 472-5977 Email: cpbs2@unl.edu

For updated information, see the Cedar Point bulletin board, which is across from the elevators on the first floor of Manter Hall, or visit the Cedar Point webpage:
<http://cedarpoint.unl.edu>

**Fall in love with biology this summer
at
Cedar Point!**

The great breadth of biological classes and research programs based at CPBS is related to the station being ideally situated in close proximity to diverse aquatic and terrestrial habitats, including streams, ponds, riparian forests, wet meadows, and grasslands. Grassland types include the Nebraska Sandhills Prairie—the largest area of vegetated sand dunes in the western hemisphere.

UNIVERSITY OF
Nebraska
Lincoln

**Cedar Point
Biological Station**
Ogallala, NE

School of Biological Sciences - UNL

Don't just study biology!

- Gain first-hand experience —
— with local ecosystems
- Study organisms where they live
- Get to know your professors
- Make new friends
- Have fun while earning credits - best way to spend your tuition dollars!
- Engage in independent study & gain research experience
- Do hands-on science!

GO TO CEDAR POINT
